

SPOT THE SIGNS OF MODERN SLAVERY

Tuesday 5th June, 7.30pm
at Trinity Methodist Church, Blaydon

**Human trafficking is happening all around us.
Victims are often hidden away, but it is possible you will encounter
individuals or situations of concern.
Knowing how to 'spot the signs' could save lives.**

This training is aimed at anyone who works face to face with the public - particularly working with vulnerable people. This might include:-

- Medical staff - doctors, nurses and other health care professionals.
- Social Services/Council - social and support workers.
- Police.
- Voluntary sector workers e.g. food bank, soup kitchens and homeless shelters.

The training is free and informal. If you feel you may come into contact with someone who has been a victim of trafficking then please come along and learn more. Tea and coffee will be served.

HOPE FOR **JUSTICE**
